Dear Parents and Caregivers;

As we all know this is a very difficult time for many families. Families are struggling with rising costs for basics such as food, fuel, and housing, while many parents and caregivers are seeing their workplaces begin to lay off. I know the challenges you face in sustaining a quality of life by balancing a stable home, working to support your family, and giving as much time as possible to support your children's education. The Orange Elementary Schools want to help support you during these difficult times.

If you are experiencing a housing crisis, we may be able to link you with the needed assistance. Please complete the attached survey to identify families with whom we can connect with resources related to housing issues. Identifying as many families as possible is imperative to provide access to those resources.

Please check the box that applies to you and return it by Monday, March 20th.

The information is private and confidential.

Thank you for your input. Warmly Connie Salone (OES Social Worker)

Please return this portion to Mrs. Salone/ OES Social Worker

Students Name:

Are you currently homeless or living with another family/friend/s?
Are you currently living in inadequate housing (e.g. no heat)?
Are you currently serving in the military?
Are you providing foster care in your home?
